Hooray For Hollywood,Sorta

Image pros find
their right guy

to run for office,
& he’s disaster

until they feed him
weasel scripts. His

girl or wife abhor
what he becomes. But

shunning sagacious
pols’ advice is
suicide. There-

fore plods he
on phony mes-
sage. Until? One

day, drops script
and speaks his

heart! People’s
heart! So, the moral

beats damnable
election sleaze! Yes!

As this is known as
fiction, team

players everywhere
should not be shamed

reality kicks raw
their Kegeled ass.
